

# Department of Poultry Science

College of Agricultural & Environmental Sciences

**UNIVERSITY OF GEORGIA**

## Application for Undergraduate Research Course Approval

*POUL 4960R, POUL 4970R, POUL 4980R, POUL 4990R*

**Guidelines:** This course is 1-4 credit hours and provides students the opportunity to participate in laboratory research under the direction of a faculty member in the department of Poultry Science. A minimum of 3 hours of work in the lab per week is required for each credit hour. Students must complete a written report describing the semester's research activities and present their research findings. There are several deliverables that students with consultation with their research faculty may choose from to receive credit as outlined in the application.

**Instructions:** Students who wish to register for a supervised undergraduate research course in the Poultry Science Department must complete this form and submit to the Undergraduate Coordinator's Office, Dr Tamim, room 206 Poultry Science building. This must be done by the third day of classes in the semester in which the research will be completed.
